

Key Cabinet RSK 450, 550, 750 & 950

Burglary protection

Robur Security Cabinets are tested and approved in accordance with the Swedish standard SS 3492.

Description

The body is a solid welded construction in 4 mm cold rolled steel. The door is in 4 mm steel, securely engaged on all four sides. The hinge side of the door is secured by means of a solid dog bolt independent of the hinges. All interior fittings can easily be moved every 50 mm. Prepared for anchoring to the floor.

Locking

As standard the Cabinet is provided with changeable key lock.

Available as option:

Combination lock or Electronic combination lock.

Colour

Light grey RAL 9010.
