

Safe LW Grade III

As per SS-EN 1143-1 / EN 1143-1

The safes are suitable for storing valuables and documents against burglary and theft. LW stands for "Low Weight", which means that they weigh less than corresponding standard safes and are designed to meet needs where low weight is essential.

Pearl white, RAL 9010.

Standard equipped with a key lock.
Combination lock or electronic combination lock on special order.

Prepared for anchoring. (1 * M12 anchoring bolt included).
Cabinets under 1,000 kg shall be anchored.

The safes have as standard a hole in the rear side for optional alarm connection.

Burglary protection certified by ECB·S according to European standard
SS-EN 1143-1 / EN 1143-1
