

Secure cabinets S2 – LFS 30

As per EN 14450 & EN 15659

Strong cabinets that are suitable for protecting documents and valuables against fire and theft. They are aimed for private homes and businesses with less need for protection. Each cabinet has strong locking bolts and a drill-proof lock. The door locks automatically when closed.

Pearl white structural lacquer, RAL 9010.

Standard equipped with a key lock.
Electronic combination lock on special order.

The cabinets are standard equipped with 1-2 shelves. More options are available.

Prepared for anchoring. (2 pcs of M12 anchoring bolts are included).
Cabinets under 1000 kg shall be anchored.

Fire protection certified by ECB•S according to EN 15659 level LFS 30 minutes.

Burglary protection certified by ECB•S according to EN 14450 class S2.
