

Security cabinets RSK

As per SSF 3492

The security cabinets are used as protection for secret documents (authority requirements) and for valuables such as documents, electronics, tobacco, weapons, medicines, etc.

Light gray, RAL 9002.

Standard equipped with a changeable key lock.
Electronic combination lock on special order.

As standard the cabinet is provided with adjustable shelves.

The cabinets are prepared for anchoring with holes in the bottom.
Models RSK 450, 500/550, 700, and 900 are also equipped with anchoring holes in the back. Please note that bolts are not included.
Cabinets weighing under 150 kg shall be anchored.

Burglary protection certified by SBSC according to SSF 3492.
