

Filing cabinets

As per EN 15659 – LFS 60

Fire-protected vertical cabinets used for convenient and safe storage of hanging folders. Each drawer has an individual fire protection which protects your documents for up to 60 minutes.

White, RAL 9010.

The cabinet has a central lock which locks all the drawers. Built-in, double-acting locking system enables access to the desired drawer, even when the cabinet is locked. Electronic combination lock on special order.

Equipped with 1-4 drawers as standard. Each drawer is delivered with an adjustable rail for A4 or folio folders.

Fire protection certified by ECB•S according to EN 15659 level LFS 60.
