

Key cabinets RSK-KS

As per SSF 3492

Roburs key cabinets are security-classed cabinets that are used by many different industries where special key storage is required. Examples are the home service, car dealers, car mechanics and all other businesses that require safe storage of a large number of keys.

Light gray, RAL 9010.

Standard equipped with a changeable key lock.
Electronic combination lock and/or Alcohol lock on special order.

Prepared for anchoring with 2 holes in the back (bolts are not included).
Can be supplied with a support frame to avoid wall mounting on special order.
Cabinets under 1000 kg shall be anchored.

Burglary protection certified by SBSC according to SSF 3492.
