

Security cabinets RSK

With recessable doors – As per SSF 3492

Security cabinets with recessable doors are for storing tobacco, medicines, electronic products, etc.

The clever design makes it possible to slide the doors into the cabinet after opening, saving space and making it possible to present the contents.

Light gray, RAL 9002.

Standard equipped with an electronic combination lock.

Prepared for anchoring. (Bolts are not included).
Cabinets under 150kg shall be anchored.

Burglary resistance certified by SBSC according to SSF 3492.
